LET'S GET ROLLING | options + advantages

CUSTOM SOLUTIONS AT MASS-PRODUCED PRICES

All of COSHATT's fixture offerings come in a tremendous array of sizes, finishes, materials and configurations. And we go much further than this, offering the ability to customize virtually every item within our product lines, or even to create completely new and unique models and options as part of a specification. Virtually every fixture is offered on a custom-designed basis, with modular construction for ease of installation and reconfiguring.
